Dear Parents,

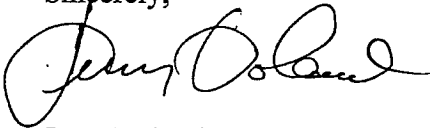

Welcome back to school and best wishes on a successful school year!

This year we are asking for your help with a potentially serious condition. As you are aware many students across the country have a severe allergy to peanuts and tree nuts. You may also know that quite a few students at Beeler have this allergy, and this condition could result in a life-threatening reaction if they are exposed.

For the upcoming school year, we are asking that **all classroom snacks sent into school are "Nut Free"**. This does not include items you send in for lunch, as we have "Nut Free" tables in the cafeteria. However, when it comes to classroom snacks **we are labeling all classrooms as "Nut Free"**. Other schools across the district have already implemented this policy.

Thank you for your understanding and cooperation in this matter. Please feel free to contact Mrs. Cerdan or me if you have any questions.

Sincerely,

Jerry Boland
Principal
